

7450 Rate-Pak™ Update

Dear Valued Neopost Customer,

Effective May 14, 2007, the United States Postal Service will be changing their mailing rates. Enclosed with this letter you will find your rate and Rate-Pak™ Chip, which when installed, will update your 7450 scale to provide you with the latest supported USPS rates.

Please do not install your 2007 rates until May 14th. Installing your new rates is a simple process that should take less than five minutes. Before installing the new rates, please review the enclosed installation instructions (steps 1-6).

Along with the new rates, your 7450 scale includes an enhancement to support a portion of the new Shape-Based rates. The product enhancement includes the First Class Letter Rate automatically changing to First Class Flat rate over 3.5 oz. The First Class Flat Rate will automatically change to Priority over 13 oz. Please Refer to First Class Rate chart included at the bottom of the installation instructions as a reference for shape based rate and weights for first class rates not supported by this scale. You will need to confirm the mail shape meets the requirements for the new "first Class" rates. For more details on Shape-Based pricing and the impact on your scale, please go to the Neopost web site.

Please note: it is the sole responsibility of the customer to install and verify that the rates are properly installed. Neopost Inc will not be liable for rates that were not verified or installed properly.

Should you have any administrative or technical questions concerning this 2007 Rate Change you can contact Neopost as described below.

- Please try visiting our website web site at <http://www.neopostinc.com> for complete rate change information, including access to new USPS mail classes.
- When contacting us, please have your product model number, product serial number and your customer number available so that our representatives can assist you in an efficient manner.
- If you received this Rate Change Software in error. Return the contents of this rate package to Neopost Inc, Hayward. Please include the Sales Order # on the outside of the envelope.

Sincerely, The Neopost Rate Change Team

7450 Scale – Rate-Pak™ Installation Procedure: Rev USPS07

Step	Action	Figure
1	Unplug the scale from the meter and the power adapter.	
2	Remove the access cover on the bottom of the scale.	
3	Remove the Rate-Pak™ from the socket by pulling up on both ends of the Rate-Pak™ Chip carrier. Note: If the Rate-Pak™ does not come up easily, gently pry up on the end-tabs using a screwdriver or coin	
4	Press the new Rate-Pak™ Chip into the socket. Note: The carrier (with IC) will only install in the proper direction. Do not use excessive force.	
5	Place the access cover back onto the scale and snap it back into place.	
6	The new rates have been successfully loaded. Reconnect the scale to the meter and the power adapter.	

2007 First Class Shape Rates

Ounces	Letter	Flat	Parcel	Ounces	Letter	Flat	Parcel
